Health & Safety Management in the Office

HS010

Health & Safety Management in the Office

This two-day course provides an introduction to health and safety for office staff. The course covers the employers and employees duties and responsibilities under the Safety Health and Welfare at Work Act 2005, and other applicable legislation.

The Safety, Health and Welfare at Work Act 2005 and the Safety Health and Welfare at Work (General Application) Regulations 2007 have major implications for employers and employees including increased obligations for safety, increased powers for the HSA and increased penalties of up to €3 million and/or two years in prison for those found guilty of breaking the law.

The requirements of the Act will be reviewed.
